

His Love Family Resources Baby Bottle Fundraiser 2024

"I came that they may have life and have it abundantly"
John 10:10b

We care about life! At His Love Family Resources we offer free pregnancy tests, a text hotline for unplanned pregnancies and pro-life counseling.

We care about families! His Love offers parenting education, an 'earn while you learn' baby pantry, Moms Group, Special classes, and much more.

We work with and through local churches. His Love seeks to be an avenue that local churches can use to show the love of Christ to our community.

You can help! Take a bottle with you. For the next few weeks you can use these bottles to show friends, family and even strangers that you support life. Take it to work with you. Use it to teach your children how much God loves them. Put it out where others can see. Then return the bottle to your church full of coins, currency or a generous check. Whatever you give will make a difference. Include your name and address in the bottle if you want a receipt.
