The Power of Jesus: An Evening of Praise, Preaching, Eucharistic Adoration & Healing Prayer with Fr. Patrick Gonyeau

Cross in the Woods Parish is bringing Father Patrick Gonyeau to Northern Michigan on **Friday, Sept. 4th** to talk about his faith journey. After a life changing conversion in his mid-twenties, Father Gonyeau received the call to the priesthood.

After four years as a priest, he began to experience miracles of physical healing that opened his heart to the power and love of the Lord with a new fervor. His passion is to see Catholics empowered to live just as the early Church did when they left the upper room at Pentecost on fire with the Holy Spirit. *Join Cross in the Woods parish for this powerful evening from 6:30-8:30 p.m.* All are welcome! Please contact Marisol Cruz at 231.238.8973 x 312 or mcruz@crossinthewoods.com with any questions.

COMMUNITY PRAYER

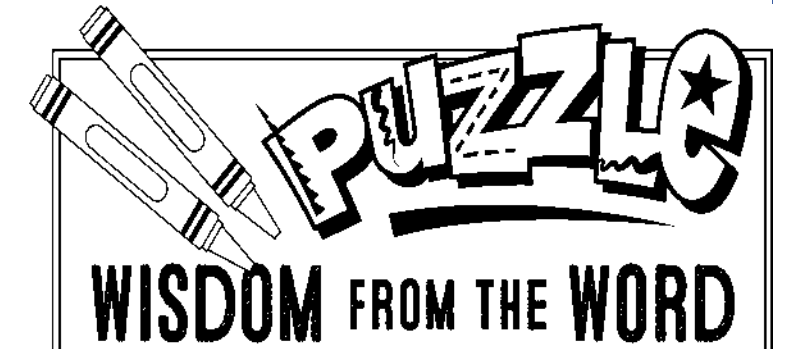

Tuesday, August 18 at 10:30 am at the Albert Twp Park in Lewiston is a Community prayer service, addressing the many affects of the Covid virus. In the event of inclement weather the event will be moved to the St. Francis parish hall. This brief interfaith prayer service allows social distancing with spiritual connection and will feature several Lewiston neighbors saying a prayer for the concerns of this unprecedented crisis. There will be music. There will be hope. Bring your mask with a smile behind it and a folding chair—there's plenty of room.

Together We Can Food Pantry, Aug. 20, will be at the Oscoda Co. fairgrounds from 11:30 am to 2:30 pm. All country residents are welcome, bring ID.

The Annual Parish Financial Report for fiscal year, 2019-2020 is available to pick up in the hall for anyone interested.

Patient Attention: For many people, the coronavirus pandemic has been a test of patience — or worse. Medically vulnerable people face an anxious time of hyper-vigilance. Furloughed workers wait to go back to work, or in lines for assistance. Special events have been canceled or rescheduled. Businesses closed...many forever. Those not impacted directly still have to deal with assorted frustrations and inconveniences. Many people are learning the benefit of slowing down, being present (even virtually) to others and practicing patient attention. Interestingly, scientist Isaac Newton did some of his best work when the plague forced Cambridge University to close. At home, Newton invented calculus and developed groundbreaking theories of gravity and optics. Later he called 1666 it his "year of wonders" and reportedly said, "If I have made any valuable discoveries, it owes more to patient attention than to any other talent."

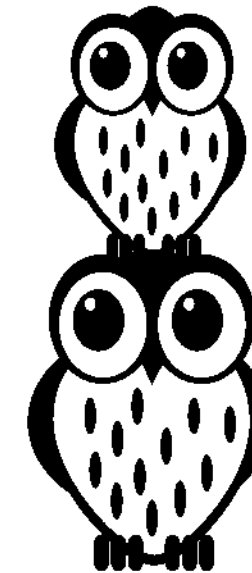

What have you discovered during the Covid-19 crisis? What appreciations have you developed for aspects of life you may have previously taken for granted? What has social distancing taught you about the value of neighbors, church and community? Have you have focused on God more? What have you learned about God's presence? Now, more than ever we can understand the Psalm 130:5: *"I wait for the LORD, my whole being waits, and in his word I put my hope."*

Phone Funny

A mom sends a text her son, "Hi, what does IDK, LY, and TTYL mean?" He texts back, "I Don't Know, Love You, and Talk To You Later." The mom texts him again, "That's ok, don't worry about it. I'll ask your sister. Love you too."
